

## **“Tax Season Special”**

Specifically designed for CPA’s

One Price Service: Only \$75.00

Save **time** and **money** during your busiest time of the year. You know you have to shred every document with any of your clients’ personal information on it. Do you really have the time to do it yourself during tax season? Do you want to pay your employees to do it when they should be doing what you hired them for? Or worse yet, do you want to let the paper accumulate in an area where it might accidentally get thrown in the regular garbage?

Let *Proshred*<sup>®</sup>, the only ISO 9001:2000 certified onsite mobile shredding company in the industry, remove the hassle and headache with their

### **“Tax Season Special”**

For only \$75.00, we will place a locked security bin\* in your office from mid-January through mid-May. Throughout the tax season, you simply toss the documents (staples, paperclips and all) into the one-way feed slot. At the end of the season, *Proshred*<sup>®</sup> shreds the paper at your location and then removes the bin.

*No deposit ~ No pre-payment ~ No further obligation*

Price includes delivery, use of bin throughout the season, one document shredding service call\*\*, and pick up of the bin.

\* Maximum size container available is 95 gallons.

\*\* Additional document shredding service calls, if needed, are only \$50.00 each.
